

Q'INTI MEETS OR EXCEEDS THE TRAVEL INDUSTRY'S LATEST GLOBAL HEALTH AND SAFETY PROTOCOLS.

# SAFETY PROTOCOLS FOR ADVENTURE TOURS

Safe travels

by  
WORLD TRAVEL & TOURISM COUNCIL

## GUEST CONTACT

- Social distancing of 1.5 meters (5ft)
- When possible. Strict hygiene measures carried out according to our health ministry protocols
- Payments only through our digital platforms
- All staff members are supplied with personal protection equipment
- Hand sanitizers will be available in all vehicles.

## LAND SERVICES

- Staff members and suppliers will receive safety protocol training
- Guides and vehicles will be provided with cleaning and disinfection supplies to ensure a clean environment.
- The health status of staff and guests will be regularly monitored
- Travel materials such as brochures, maps, etc, will be delivered virtually

## BIOSAFETY PROTOCOLS DURING ADVENTURE ACTIVITIES

- All are subject to strict hygiene protocols, including face masks wearing plus social distance to get into the company or during the outdoor exploration
- Personal items must be disinfected when possible

## ESTABLISH AN EXCLUSIVE SOCIAL BUBBLE MAXIMUM OF 8 GUEST

- Families with kinship up to 3rd degree, people who live together and have agreed to form a social bubble
- Distancing between social bubbles, guests and guide is about 1.5 meters (5ft) When possible.
- Distancing between tents on the campsites is about 1.5 meters (5ft) Staff members and suppliers will receive safety protocol training to apply during the outdoor activities
- An exclusive social bubble is defined as a group of people voluntarily traveling together for more than seven days
- Social distancing between cyclists of 5 meters (16ft) during the outdoor activity
- Frequent cleaning and disinfecting of all the equipment before and after outdoor use (tents, walking sticks, wetsuits, bikes, etc)

## SUPPLIER MANAGEMENT

- We will make sure that our providers comply with government-established safety protocols
- We will be constantly updating our supplier-protocols matrix to keep you up to date with any changes.
- Some of our supplier protocols are:
  - Complete cleaning with a disinfectant solution in rooms and public areas.
  - Limited capacity
  - Previously printed materials such as handouts will now be on digital form
  - We will follow a strict contingency plan in order to prevent contagious between staff members and guests during the services.
